

## **SARCCM Workshop on Sustainable Development of Coastal Infrastructure (ports and harbours) in Australia and China, 11-12 May 2012**

A successful Sino-Australian Coastal Management Workshop titled 'Sustainable Development of Coastal Infrastructure (ports and harbours) in Australia and China' was held at UNSW Sydney, Australia on 11 May 2012. In the workshop, A/Prof. Xiao Hua Wang, the Director of UNSW SARCCM, delivered a presentation entitled 'Research Project Proposal: Sustainable Development of Coastal Infrastructure in Australia and China', and Mr Xiao Hua Bu, the Vice President of Qingdao City Construction Investment Group (QCCI) in Qingdao, China, introduced the Group's planning, establishment and development, as well as its priorities in the future. Participants from MIAA (Marina Industry Association of Australia) and CoastalCOM also gave presentations in the workshop. The conference was concluded by remarks from Prof. Warrick Lawson and A/Prof. Stuart Pearson from UNSW Canberra.
